

# Child Credit Freeze Request Forms

Congratulations on taking this step in protecting the future financial strength of your children. Here is what you need to cross the finish line!

## What to do next:

### 1. Provide identifying information

Done

### 2. Print out your request forms with documents

This packet we've created for you contains the necessary identification, and the request forms you'll send to each bureau. If you skipped attaching document copies in Aura you can add your own scanned copies to the indicated places of this packet.

### 3. Mail your copies to each bureau

Send your packets to Equifax, Experian, and TransUnion. You can use regular mail or certified mail, but we recommend the extra security of certified mail.

### 4. Wait for confirmation, then store your PIN securely

The bureaus will let you know when your child's credit has been frozen. You'll receive your PIN at that time. Keep it in a safe place (like a fireproof safe or Aura Passwords) until it's time for your child's first credit card or loan.
